Petersbourg, Auguſt 26.

M. De Weſtphalen, Miniſter from the King of Denmark, has of late had ſeveral Conferences with the Miniſters of this Court, concerning the Execution of the Treaty of Commerce concluded not long ſince at Copenhagen. Our laſt Advices from Derbent and Perſia are, that Schah Thamas having drawn the greateſt Part of his Troops together in a Body, had taken his March with all Diligence towards Babylon, in order to lay Siege to that Place before the Turks ſhould be able to form an Army for relieving it: That he had already defeated a Body of 4000 Turks, who were conducting to Babylon 600 Camels loaded with Proviſions and Ammunition; and that he hoped to be Maſter of the Place in a little Time, having Intelligence that the Garriſon was weak, and unprovided with Stores neceſſary for their Defence.

Vienna, Sept. 6. They write from Lintz, that the Emperor was expected there to Day from Gmunden, where his Imperial Majeſty and the Duke of Lorrain had for ſome Days taken the Diverſion of hunting. 'Tis believed the Emperor will go again next Year to uſe the Waters of Carelsbad, and thence proceed to Brinn in Moravia, in order to receive the Homage of the States of that Province. The Ceremony of the States of Upper Auſtria's paying Homage to his Imperial Majeſty will be performed in a few Days.
